Part 1: 🎯 Questions for the Team

1. What moment from this sprint made you feel most proud of the team?

2. When did miscommunication cost you time or rework? What would have prevented it? If everything was great, which communication habit felt most valuable this sprint and why?

3. Yum, fried chicken. KFC to the rescue. Talk amongst yourselves and tell us:
   a. (1 mark) What will you KEEP, i.e., what worked out really well?
   b. (1 mark) What will you FIX, i.e., what generally works but needs some tweaks?
   c. (1 mark) What will you CHANGE, i.e., what needs to be completely reinvented?

Keep: The layout and structure of our pages worked out well, we were able to have the foundations created

for our application.
Fix: We are going to fix our data collection of trees to make it more manageable so that we would be able to process tree information more easily.
Change: We will be making some changes to our search functions and tree adoption mechanism so that users can adopt and search for trees without having issues.

4. **Team Bonding**

    (1 mark) What team activity did you do last week?   What impact did it have on you as a team?   What will you do next week?
